HONGKONG, FRIDAY, OCTOBER 11, 1895.

## NOTES AND COMMENTS.

It may not be generally known, but it is  
nevertheless a fact, that we are face to face  
with one of the longest droughts, one of the  
most severe water-famines, ever recorded in  
the annals of the Colony's history.

Instead of our water supply being cut  
short, as it too often has been, about the  
middle of March or April, the authorities,  
in view of the unparalleled scarcity of rain  
this year, have, as is well known, already  
seen fit to limit the supply to about  
two hours' flow per diem, and as the  
north-east monsoon has now fairly  
set in there is no ground for hoping  
that the Water Authority will grant  
a more liberal supply until the spring  
or early summer rains have filled our  
reservoirs to overflowing. Indeed the proba-  
bility is that, so far from increasing the  
supply during the next six or seven  
months, that it will be curtailed four  
or five months hence, for the reason  
that, unless something very unusual occurs  
in the interim, the inflow will have become  
practically nil owing to the drying up of  
the mountain springs—the main source of  
supply in the dry season.

The outlook, with our teeming Asiatic  
population and the great and ever-  
increasing demand for the shipping  
visiting the port, for factories, schools,  
and flushing purposes (to say nothing  
of the waste at fires) is, indeed,  
gloomy in the extreme, and it therefore  
behoves us to make the best of a very bad  
job and prepare for the worst. If we wish  
to avoid the outbreak next spring of an  
epidemic of some fatal and infectious  
disease we must take steps to keep the  
enemy without our gates by every con-  
ceivable means in our power; in other  
words, to avoid war we must prepare for  
war. We had to battle with a terrible  
scourge last year; we don't want to have  
to take the field again. Are we ready for  
the fray? That is the question of the hour,  
and it is a query that we think can not be  
answered satisfactorily by the Sanitary  
Board, whose power for good, as is shown  
by the report of the proceedings at  
yesterday's meeting, has been reduced to  
a minimum since it became a mere  
shoot-a dependency of the Public Works  
Department. It is unquestionably the  
duty of the Board to exercise increased  
vigilance in the matter of the inspection  
of the Chinese quarters of the city; to  
insist on the utmost cleanliness; to employ,  
if necessary, and until the spring, more  
Inspectors of Nuisances and more scavengers,  
and, above all, see to it that the over-  
crowding, for which this Colony is so  
unpleasantly notorious, ceases to exist.  
We believe there is a good deal of  
overcrowding now, and that the city  
is not as clean as it ought to be.  
Let not this be truthfully said  
two months hence. If the present  
staff of the Sanitary Board cannot enforce  
the new Bye-laws then let it be doubled and  
increased, if necessary, be quadrupled or  
quintupled. What is the cost of a few extra  
men as compared with the health of upwards  
of 200,000 people? The cost should not be  
considered, for at all hazards and at all  
cost, no matter how stupendous, we should  
see to it that we are not "caught napping"  
as in 1894.

We note that the *Straits Times* is taking  
a leaf out of the *London Daily Telegraph*'s  
book and offering its services in the  
matter of subscriptions for a memorial to  
Mr. Tom Morris, who for upwards of half  
a century has occupied a prominent and  
very honourable position in golfing circles,  
and is as our contemporary states,  
generally acknowledged to be the Mentor  
of golf. The *Straits Times*, in the course  
of its comments on the scheme, says it  
has no doubt the Singapore Cricket  
Club and other Straits clubs will not  
be backward in coming forward and  
after referring to a letter received from  
the Royal and Ancient Golf Club, adds—  
"In case there may be a few outside  
admirers of the game to whom the name  
of Tom Morris recalls hallowed memories,  
we shall be glad to receive and  
acknowledge any contributions; but we do  
not suggest that any persons who are  
members of the Golf or other clubs should  
subscribe except through their Clubs. It  
is only from 'outsiders' that we would  
receive such sums, and we will forward  
them to the Singapore Golf Club. A  
dollar each all round should come to a  
considerable sum." We have not yet  
heard whether the Hongkong Golf Club  
is likely to "chip in," but as Messrs.  
Balfour and Grace's circular inviting  
subscriptions may interest a good many  
of our readers we give the text of it in  
extenso, as follows:—

CLUB HOUSE.

St. Andrews, September, 1895.

There is a very general feeling that some  
public recognition should be given to Tom  
Morris, now in his 75th year, who, for more  
than half a century, has occupied so prominent  
and so honourable a position in the golfing world.  
From his close association with the Links of  
St. Andrews as their very efficient green-keeper  
for more than a generation; it seems fitting  
that the Royal and Ancient Golf Club should  
start the movement; but the name of Tom Morris  
is so widely known, his services in the golfing  
world so generally appreciated, that it seems  
fit that new stones have been rendered in so

many different parts of the country, his  
character has inspired such universal respect  
and affection, that any attempt to do  
him honour cannot properly be confined  
to St. Andrews; he has raised the status of  
the professional golfer for all the world over,  
and has therefore a strong claim to the gratitude  
of every one interested in the game. A committee  
has accordingly been formed to take the  
necessary steps to bring the movement into  
general notice, and to enable all to contribute  
towards a fund which, it is confidently hoped,  
will be sufficient to procure for Tom a com-  
fortable annuity, or in some other way enable  
provision to be made for the evening of his days.  
A subscription list has been opened, copies of  
which will be placed in the hands of secretaries  
of all golf clubs, and in the offices of several of  
the leading journals.

ARTHUR JAMES BALFOUR, (Captain).

C. S. GRACE, (Secretary).

We have no desire to trespass on any  
one's preserves, but if the local Golf Club  
is not prepared to accept subs from  
"outsiders" and will receive them through  
us we shall be very pleased to open a  
subscription list at this office and acknow-  
ledge receipt of all donations in our  
columns.

(Special to Hongkong Telegraph.)

## TELEGRAM.

THE  
CRISIS AT KUCHENG.

THE INQUIRY AT AN END.

MANY "VEGETARIANS" AWAITING  
SENTENCE.

FOOCHOW, September 11th.

11 A.M.

The arrogance and duplicity of the Chinese  
officials has brought the inquiry to an end.  
The foreign Commissioners, Consuls Mans-  
field and Hixson, are doing nothing, but they  
await at Kucheng definite instructions from their  
respective Ministers in Peking before returning  
to Foochow.

The investigation has resulted in it being  
positively ascertained that 140 took part, in  
various ways, in the massacre; that 59 armed  
men went to Wharung to do the helpless  
missionaries to death, and that 49 of the mis-  
creants have been tried and found guilty.

Seven of the murderers were duly beheaded in  
the presence of the British and American  
Consuls, one died in prison at Kucheng and the  
remainder of the prisoners who have been  
tried and convicted are now in gaol awaiting  
sentence by the Viceroy, who has withdrawn  
from Hsu Tsoai the power to condemn the  
Kucheng desperadoes to death.

NAVAL DEMONSTRATION AT  
FOOCHOW.

Six British men-of-war are now in port,  
namely, the *Albatross*, *Archer*, *Edgar*,  
*Undershaft*, *Pigmy*, and *Lionel*. Of these the  
*Lionel* only is close to the Settlement, the others  
being at Pagoda Anchorage, a few miles down  
the river.

## REUTERS' TELEGRAMS.

TURKS AND ARMENIANS.

LONDON, October 9th.

A body of armed Turks, including some  
soldiers, have attacked the Armenians at Trebi-  
sund and many lives were lost.

THE SIBERIAN RAILWAY.

The *Nova Vremya* publishes a telegram  
from Vladivostok stating that three companies  
of Engineers have started for Manchuria to  
make surveys in connection with the trans-  
Siberian railway.

## THE "BELGIC."

Mr. J. S. VAN BUREN, the local agent of  
Pacific Mail and Occidental and Oriental  
Steamship Companies, courteously informs us  
that he has just (11.30 a.m.) received a telegram  
from Yokohama stating that the *Belgica* has  
been safely landed and has arrived at Yokohama.

## LOCAL AND GENERAL.

THE ANNUAL Session of the Straits Legislature  
commenced on the 2nd inst.

H.M.S. *Dolphin* and the German cruiser  
*Cormoran* were at Swatow when the Douglas  
Lines *Perseus* left that port yesterday afternoon.

A STEAM-LAUNCH will leave Murray Pier at 4.30  
to-morrow afternoon to take members of the  
Recreation Club and their friends to witness the  
scratch four-oar race.

THE Willard Opera Company opened in Singa-  
pore on the 2nd inst. in the "Gaiety Girl," to a  
good house, the exchanges to hand being filled  
with their praises. The dancing "caught on"  
at once.

THE *Singapore Free Press* of the 3rd inst. is  
our authority for stating that a forged Hongkong  
and Shanghai Bank \$25 note was detected at  
the Teluk Anson Treasury recently. The note  
is said to be a clever imitation.

A MONUMENT to Garibaldi was unveiled at  
Rome on the 20th ult., amidst intense  
enthusiasm. Count Crispien, in a speech on the  
occasion, insisted that His Holiness the Pope  
is free without temporal power, and that  
Italy will never renounce her hard-won unity.

A VERY interesting match was run at the Happy  
Valley race course yesterday afternoon between  
Mr. Hart Beck's Chian pony *Vollgren*, 13.1  
hands high and carrying 11.1 lb., owner up, and  
Mr. Mannen's grey Australian mare, 13.2 high,  
carrying 11.1 lb., with Mr. Masters up. A  
capital start was made, and the mare  
immediately settled down in front, making the  
running the entire distance and winning easily  
by a length and a half in 59.4.5th secs. This  
was a great surprise, for as much as three to  
one was laid on *Vollgren*, the majority of the  
"agents" being of opinion that the mare was  
not in racing trim.

At a meeting of the Chess Club held this after-  
noon, the following were elected as the Com-  
mittee for the ensuing year:—Col. The 'Gorman',  
Col. Hunt, Messrs. H. K. Pollock, R. H. R.  
Burder, T. H. Reid, E. Blechoff, and C. A. M. de  
Jesus.

THE Sydney *Bulletin* thinks that the erection  
at Sydney cricket-ground of a new scoring  
board, which will give bowlers' averages at the  
game proceeds, will be a most useful object-  
lesson for Giffen. Possibly, and so it would be  
for one or two erratic 'travellers' in the Gorgeous  
East.

"TOMMY" HUDSON, the veteran minstrel-man,  
was to leave Adelaide on the 25th ult. for India,  
China and Japan, taking nearly the whole of his  
present large company. The Sydney *Bulletin*  
hears that Mr. Hudson, who already owns the  
Adelaide Bijou, recently completed the purchase  
of a Calcutta theatre.

We note by the Singapore papers to hand that  
the Chinese contractor who erected the building  
in Singapore which recently collapsed with such  
fatal results has been arrested on a charge of  
culpable homicide, but was at once released on  
\$1,000 bail. No Chinese can be employed on  
the work of demolishing the building on account  
of their superstition.

NEW SOUTH WALES bullocks, in the form of  
herds of beef, are now on their way to Siberia  
by the steamer *Admiral*, says the Sydney *Bulletin*.  
The 15th ult. It is an experimental shipment,  
and the first, perhaps, ever made from Australia.  
Vladivostok, the Russian naval and penal  
station in Siberia. The port is closed by ice  
from December to March, but the Sydney ship-  
ment of beef is expected to reach its destination  
about the end of this month.

A FEARFUL fleet consisting of the brigantine  
*Camaro*, and the luggers *Queen*, *Alma*, *Amy*,  
*Gertrude*, *Kingfish*, *Sultan* and *Boa*, have lately  
been prospecting round the coasts of British  
North Borneo under the superintendence of a  
Mr. Stewart. After a few days spent in the  
vicinity of Sandakan, during which valuable  
assistance was given by the divers belonging to  
the *Boa* in the removal of an obstruction lying  
off the east end of the wharf, the fleet left for  
Darvel Bay on the 14th ult.

IN Australia it would seem that railway porters  
are afflicted with the same distressing complaint  
as, it is believed, some Post Office employees  
in some of the 'outlying appendages' of the  
British Crown. That being so the following from  
a recent issue of a Sydney paper is interesting  
as showing that our Antipodean cousins have  
struck upon a novel and effective means of  
checking pilfering of the most vexatious de-  
scription.—"Cases of fruit, mailed to Melbourne  
by a member of the family were often tampered  
with by the country railway porters. But no  
fruit was ever missed after a box of live snakes,  
labelled 'Fruit, with care,' was sent to town by  
train." Capital! But the worst of it is, as far  
as dwellers in these classic regions are concerned  
that Oriental snakes have a nasty habit of  
stinging people, and it is possible that were the  
experiment tried here the sender of an unreg-  
istered but enticingly sealed packet might be  
virtually hoist with his very own petard, and  
that would be very unfortunate.

THIS day broke yesterday one of the Customs  
cruisers picked up the body of a European about  
one mile west of Green Island, floating in the  
water. The find was reported to the police,  
who, as the result of inquiries, think that it is  
the body of John Gaudson, a sailor of the American  
ship *Geo. Munson*. Gaudson was last seen  
about 9 p.m. last Sunday, when he was much  
under the influence of liquor, and he then  
declared his intention of going off to his ship.  
The body when found had a deep gash on the  
neck, a cut from the temple to the jaw, and  
the flesh was cut off with one stroke  
from his left shoulder to his elbow. The  
body was yesterday taken to the mortuary  
and an inquest will be held to-day. The  
theory of the police is that he boarded a  
sloop to go off to his ship, and that, being  
drunk, he caused trouble on board, being finally  
killed, and that in order to hide the results of  
the fracas the sloopman then carried the body  
outside Green Island and threw it overboard.  
Telegies are being made, but so far no arrests  
have been made.

An Emergency meeting of Zetland Lodge, No.  
525, E.C., will be held in the Freemasons' Hall,  
Zetland Street, on Thursday, the 17th instant,  
at 8.30 p.m. precisely. Visiting brethren are  
cordially invited.

THE Chairman of the Executive Committee of  
the American Silver Party has stated that if  
business continues to improve the silver ques-  
tion is dead. This is regarded in New York as an  
important utterance.

BREXID's new plague of rabbits, Australia is said  
to be now threatened with a plague of foxes. These  
animals, imported for the sport of fox-hunting,  
have increased so rapidly that a reward is now  
offered for their capture.

A SERIOUS native riot is reported from Brussels  
to have taken place in different parts of the  
Congo Free State, even where Belgians were  
highly respected, and Captain Palmer has been  
murdered by his own troops.

JOHN BULL is much disturbed by the fact that  
France has built a naval port in the lake of  
Biserta, by which the French obtain an almost  
impenetrable position on the coast of Africa. The  
English Government, under the pretext that  
France is not to be allowed to build a naval  
base in the Mediterranean, has expressed its  
displeasure, and has promised that it can  
not always keep promises, as England ought to  
know from her repeated promises to evacuate  
Egypt.

THE English handicapper has dealt rather con-  
temporarily with the Australian race-horse  
Paris, the Julian Salomoe of the turf, who has  
been let off with 5 lb. in the Cammermeyer (2m.
